VISITING STUDENT PROGRAM

Enrollment for Credit Guidelines
2015-2016

These guidelines apply to adult visiting students approved to take courses for credit. Only students who are eligible to live off-campus, that is local adults or Simon’s Rock students who have been in residence at the college for at least four semesters, can receive permission to be visiting students. High school-aged students must apply through the Admission Office to be a visiting student. Visiting students may enroll in only one course per semester, and may retain this status for not more than four semesters. If they wish to continue to pursue their academic work at Simon’s Rock after that time, they must matriculate as degree-seeking students.

APPLICATION PROCEDURE

Applicants to attend part-time must submit these materials to the Registrar’s Office:

1. A course registration form.
2. A high school or college transcript.
3. A brief explanation of the student’s academic plans and how the Simon’s Rock course contributes to them.

Permission to attend the college as an adult visiting student must be granted by the Dean of Academic Affairs.

TUITION

Visiting student tuition is $1,640 per credit. Financial Aid from the college is not available to visiting students.
